

JobKeeper Phase 2

JobKeeper Phase 2 commences from the fortnight beginning 28 September 2020. What does this mean?

- If you are currently eligible and have been receiving JobKeeper nothing will change until the 27 September 2020. To continue receiving JobKeeper after the 27 September 2020 you will need to prove your eligibility once again.
- Eligibility will be based on a drop of 30% or more in turnover for both the June 2020 and September 2020 quarters in comparison to the June 2019 and September 2019.
- If you are a monthly BAS lodger you will need to add the turnover for the months together for the required quarters. Eg. April 20, May 20 and June 20 = the June 20 quarter.
- To be eligible your turnover must have dropped 30% or more for both quarters.
- The rate paid for JobKeeper will change to \$1,200 per fortnight for employees who work 20+ hours and \$750 per fortnight for employees who work 19 hours or less.
- JobKeeper Phase 3 will commence on 3 January 2021.
